## SUPERIOR CLEANING SOLUTIONS FROM THE NATION'S PREFERRED COMMERCIAL CLEANING FRANCHISE SYSTEM.

Welcome to the CleanNet USA difference where quality, communication, service and reliability have made our firm one of the fastest growing in the Industry.

Our nationwide system of independent franchise operators service more than 35,000 locations daily, covering more than 160 million

square feet of space nationwide. Satisfied clients include a broad range of facilities, including commercial, retail, industrial, financial, government, hospitality

and medical institutions. Dedicated professionals enable CleanNet USA to deliver what we promise.

CleanNet USA franchisees and their employees enthusiastically focus their attention on your facility, from the largest task to the smallest detail.

### Independent Ownership Ensures Quality

As independent business owners, each CleanNet USA franchisee has a vested interest in delivering the highest level of service every time at every location. This becomes a reflection of pride and satisfaction.

At CleanNet USA, you will enjoy standard services that other firms bill as an added cost.

### Superior Training Means Superior Cleaning

Quality service begins with quality people. Each CleanNet franchisee receives extensive, on-going training in product and equipment

usage, cleaning methodologies, safety procedures and customer relations. You can count on prompt and courteous attention.

### Continuous Quality Control, Computerized Monitoring, and Staffed Help Desk

CleanNet USA is one of the very few companies that uses internally developed software programs to monitor quality levels at each site. CleanNet's proprietary software enables CleanNet franchise operators to monitor cleaning standards and respond in

an appropriate manner, from solving any problem to incorporating remedial training. Our franchise operators also have

on-site log books, a toll-free hotline and Personal Digital Assistants to use to monitor performance from the customer's perspective.

### Security, Insurance And Safety

All CleanNet USA franchisees and their cleaning personnel are fully screened and trained prior to being permanently assigned to specific buildings. Day and night personnel are also uniformed and carry identification badges. Each CleanNet USA franchise operator carries general liability coverage and provides workers compensation insurance for their employees, as well as a janitorial bond.
